## EXPERIENCE

### Web Developer | [Ancient Tech Cultivation](#)

December 2025 - January 2026 | Fortuna, CA

Developed an appealing and functional portfolio website for cactus listings. Created mockups, utilized HTML, CSS, and JS. Managed hosting and greatly enhanced ease of website maintenance through GitHub Actions.

### Learning Assistant | [Cal Poly Humboldt](#)

January 2025 - Present | Arcata, CA

Facilitated educational process of college courses. Assisted students in understanding course material; initiated discussion and clarified students' understanding during lecture, and hosted extra curricular review sessions.

### Software Developer | [Election Transparency Project](#)

January 2025 - May 2025 | Arcata, CA

Collaborated in a capstone course to develop a web application to assist in enhancing electoral transparency. Employed Agile methodologies to iteratively refine the project, facilitating deliverable reviews with stakeholders and ensuring alignment with project goals. Utilized Python, Django and JQuery.

### Co-Owner | [Creepy Alligator](#)

July 2021 - August 2024 | Fortuna, CA

Managed and maintained Creepy Alligator, an online soft goods retailer. Designed and managed online store. Designed products for manufacture, including shirts, stickers, and socks. Made promotional ads for social media. Set up and attended retail booths at events.

---
